The Men's Ministry came together on a Saturday in June to pressure wash church roof and parts of outside of building. In August, we continued working by adding new bark to the grounds. Brother Artis Martin has been busy trimming trees. The men want to commend Brother Artis Martin for all the work he does maintaining the church grounds!

The Men's Ministry sponsored the all church BBQ on Sunday, August 13, 2017 on the MLK grounds after the 11:00 service. Fellowship, food and fun was had by all. The kids loved the bouncy house and we enjoyed karaoke! Of course the food was amazing! Compliments to the chefs! AND our new Pastor was there!!

The Men's Ministry is very pleased to have God's blessing of a new pastor. Pastor Johnny J. Youngblood is already involved with the men of the church.

Fathers and sons were invited to attend a back to school event hosted by F.A.S.T. (Fathers and Sons together!) at Rainier Beach Community center in September. The event included free haircuts!
