Sunday School Report

Spiritual Excellence and Empowerment (S.E.E.)

Date: 9-22-2019

Committee/Minister Name Sister Deloris Gillis

Quarterly or Annual Report

Approved Budget Amount _____

Year to Date Expenditure

Progress

During the third quarter, the Martin Luther King Sunday School has experienced measurable progress. Through the aid of the Holy Spirit our Sunday School is grateful for the support of our faithful teaching staff who consists of Sister LaShana Youngblood, Deacon Dwight Graves, Rev. Toni Brooker, Sister Mary Franklin, Bro Donald Leonard, Sister Elenora Northington, Sister Deloris Gillis and with the committed support of Brother Trolice Flavors (van ministry) and our Assistant Superintendent Sister Elenora Northington. Some of us are serving in triplicate capacity.

There has been a consistent growth in Martin Luther King Jr. Sunday School attendance. Moreover, our teachers are still excited with the challenge of the increased class room participants.

The Martin Luther King Jr. Sunday School has been running smoothly with crafts, fun interactive lessons and treats donated by teachers and church members.

Our Sunday school books for the third quarter are here.

Purpose

The purpose of the Martin Luther King Jr. Sunday School is to reach the lost sheep of the house of God, to evangelize sinners, and to effectively develop disciples/leaders of all ages. With the aid of the Holy Spirit, we will fulfill our goals and objectives.

Past Events/Programs-Results & Feedback

The following third quarter report covers the month of June, July and August. We had class review Sunday. The children were really excited about their review.

Vacation Bible School was August 05, 2019 to August 09, 2019. Kick off Sunday was August 04, 2019. It was a success. Deacon Carla Bunn (Chair) met with church members to make it happen. Members donated arts and crafts, toys, games and a tent.

CEB conducted teachers' training and child abuse training. Deacon Caria met with the kitchen committee to plan the menu.

Sister Gwen Dupree is teaching the new member's class.

During the month of August, 2019, we continue to encourage parishioners to take advantage of our transportation ministry. If you need transportation to Sunday school, please call 425-533-6856.

Upcoming Events/Announcements

We are hoping to start the healthy breakfast program again.

For the upcoming quarter, we will have promotion day to give out awards and to graduate students to their next class level.

Our next teacher's meeting is in October.

What Help is Needed? (Be specific, use back if necessary)

We are in need of three Sunday school teachers. Teaching young people is so rewarding. If you feel lead to teach these young people, please contact Deloris Gillis at 425-232-8095.

Motto:

Sunday School

A] Child Save

A Soul Save

Plus A life

Mission Statement:

To carry out the great commission to children, youth, adults in preparation for life of Christian Holiness

Challenges to Meeting Our Goal for 2019

The necessities of reaching Martin Luther King Jr's Sunday School goals are to recruit more teachers, teachers assistants, care callers, and other support staff. Our aim is to have the largest Sunday School in the region, the best, the brightest teachers and students this region

has ever seen. To do this, we must increase prayer, training, increase our number of committed teachers, support staff, facilitators and care callers. A major proposal is underway to catapult our efforts to make educating and ministry to youth and adults at Martin Luther King Jr. church a goal standard.

With creativity, rewards and enthusiasm, we are on the mark of achieving our Mission 100
