Summary of Past Events/Activities Completed during Reporting Period

All MLK ministry work should have an impact on Evangelism, Youth and/or Outreach.

Rev. Smith petitioned to the Diaconate Board that chairpersons are needed for a couple of the church organizations, one of which was the Board of Christian Education. Deacon Bunn agreed to chair until someone agrees to step up.

YOUTH IMPACT

GRADUATION SUNDAY (During Worship Service on July 9, 2023): Due to unforeseen issues facing the church in the past couple of years (Covid, pastoral transition), the CBED did not advertise scholarships. In 2022, there was a graduate – a member of MLK – that was not recognized. So, this year, the Board has decided that since there was no scholarship application advertisements again, and a few high school graduates who are attending other churches, we would like to provide a small honorarium and card to graduates who are members and to those who have moved on to other churches because they grew up at MLK. The money will come from the scholarship funds and not from the Youth Department funds.
